

# BMFA Scale Indoor National 2018-06-08

En Open Rubber, Mike Stuart "se venge" de sa deuxième place de Nimègue, mais seulement quatre modèles ont enregistré des vols ! Shocking ! Pas plus en ELEC/CO2. Le superbe TriPacer de Richard Crossley gagne avec de la marge.

Par contre 24 classés en Kitscale, ce qui confirme la justesse de la création de cette catégorie.

Les Peanuts s'en sortent assez bien, 14 classés et de qualité. Et 6 classés en Pistachio, ce n'est pas si mal !
